## Glenside Neighborhood Association ICE CREAM SOCIAL

**Y**ou're invited to join us for our annual Ice Cream Social on Tuesday, July 26, 7-9 pm at McGraft Park. Enjoy ice cream and treats while listening to a performance by Theresa's Boys and The Grabinski Orchestra at the bandshell. The event is free, but come early because the ice cream goes fast!

**Your help is needed to make this event a success.** We need volunteers to provide the homebaked treats – cakes, cookies, brownies, etc. – that accompany the ice cream. It's that homebaked touch and all the variety of treats that really make Glenside's annual Ice Cream Social so special. We need A LOT of homebaked treats, too, because we serve about 400 people at the event.

Though July 26 may seem a long way away, it'll be here before you know it! If you can commit now to whipping up a cake, a batch of brownies or some other treat for this year's event, please let us know! Volunteers can call or text Ann at 231.855.8228. Your help, as always, is very much appreciated and a tremendous asset to our neighborhood.

## UPCOMING EVENTS

Two events you won't want to miss!

1

### Dumpster Day

**Saturday, May 14**  
8 am - 12 noon

**D**on't miss your chance to dump your junk for free, courtesy of the City of Muskegon and the Glenside Neighborhood Association! Every spring and fall, the city provides us with big dumpsters so Glensiders can clear their homes, garages and yards of junk that's been accumulating. Our spring Dumpster Day is set for Saturday, May 14, from 8 am until 12 noon. Look for the big dumpsters parked near the entrance to McGraft Park. No dumping of hazardous waste or yard waste is permitted, and you should be prepared to show your driver's license. We will need a few people to help supervise the dumpster that morning, too. If you can help, please call John Derbin at 206-3516.

2

### Glenside Yard Sale

**Saturday, June 4, 9 am**

**If** you're thinking about holding a yard sale this summer, consider joining your neighbors on Saturday, June 4, for Glenside's Annual Yard Sale which always brings lot of shoppers into the neighborhood. The sale starts at 9 am, but you're free to open earlier if you want and sell for as long as you want. We'll take care of advertising, too, including ads in the newspaper and posts on social media. No registration is needed to participate. We've also arranged to have a Goodwill truck parked at McGraft Park from 4:00-5:00 pm so you can haul your unsold merchandise over there after the sale.

## UPDATE FROM OUR NEIGHBORHOOD OFFICER

Greetings Glenside residents,

With the break of winter/spring, warmer weather is sure to follow. There is nothing better than riding with your windows open or with your convertible top down listening to some music.

Please take the time to lock your doors and roll the windows/tops up when you end your day. If you leave any belongings in your vehicle, ensure that they are out of view. Phones, iPods, radar detectors and other small items including change in the open are attention getters.

Every year, law enforcement responds to break-in complaints of vehicles. I personally have taken many and I have found that the vehicles that are targeted are usually unlocked or the windows are left open.

## DID YOU KNOW?

■ **CALL SAFEBUILD 724-6766** if you see a home or yard that is in disrepair or neglected. SafeBuild handles the city's inspections and when you report a property, an inspector will come out to investigate and determine if action is warranted.

■ **911** isn't just for emergencies any more! If you see suspicious activity in the neighborhood, call 911 to report it. 911 will dispatch an available officer to check out the situation.

■ **STREET LIGHT OUT?** You can report street light outages on the Consumers Energy website, [consumersenergy.com/Apps/Streetlight/StreetlightRepair](http://consumersenergy.com/Apps/Streetlight/StreetlightRepair).

■ **WANT TO RENT OUT** the McGraft Park Building? Everything you need to know about McGraft Park rental, including availability, is online at <http://www.muskegon-mi.gov>.

■ **PARKING ON THE TERRACE** (the strip of land between the street and sidewalk) is prohibited except during the winter, and cars may not be parked in the front yard unless on a legal paved driveway.

Please ensure that your pets are on a leash if you take them for a walk and don't forget to collect anything that they may leave behind. The city has a must leash ordinance (section 6-5) and fail to collect pet excrement ordinance (section 6-13).

I will be patrolling on my bicycle once it gets warm.

Emilio Trejo
